DLP EXPO ASIA - NEW DELHI

DLP Expo Asia is one of India's leading exhibitions dedicated to the Dairy, Livestock and Poultry sectors, covering both major and niche segments of the industry. The expo showcases advanced technologies, equipment, solutions and services across dairy processing, livestock management, poultry farming, animal health, feed, breeding and allied industries. It offers exhibitors a focused platform to connect with a highly targeted audience of farmers, dairy cooperatives, integrators, processors, distributors, policymakers and international buyers in a professional business environment.

First organized in 2013 at Gandhinagar, Gujarat, DLP Asia Expo has grown steadily over the years, successfully completing its 13th edition in September 2025. The exhibition will continue with its 14th edition in 2026 in Gujarat, reinforcing its strong legacy and credibility within the industry. Building on this proven success, We are now conducting New Delhi Edition of DLP Asia Expo - New Delhi, aimed at expanding its footprint and industry reach across North India.

DLP Expo Asia - New Delhi is strategically planned to tap into the large and fast-growing Dairy, Livestock and Poultry markets of Delhi, NCR, Noida and adjoining northern states. With proximity to policymakers, institutional buyers, large processors, integrators and trade hubs, New Delhi offers an ideal platform to enhance business networking, market access and technology adoption, making DLP Asia Expo a truly pan-India exhibition platform for the industry.

ABOUT GPDFA

GP DFA is considered as a pioneer in the overall development of dairy farmers of Gujarat. With technical support from AMUL and the government, GP DFA was Established in 2010. GP DFA prioritised introducing technological advancements and promoting an entrepreneurial culture in the dairy industry.

They assimilate relevant information from countries all over the globe to arm Dairy farmers with all that they need to know to compete with global standards. GP DFA aims to push the dairy industry to the next level, the goal is to ensure Farmers maximise the benefits that they work hard for.

250+ Exhibitors

25,000+ Total No. of Visitors

100+ B2B Buyer-Exhibitor Meetings

10+ Participating Countries

SCENARIO OF DAIRY, LIVESTOCK & POULTRY INDUSTRY IN INDIA

- ✦ India is World's highest livestock owner at about 512.05 million species.
- ✦ It also provides employment to about 8.8% of the Indian population, majority of which is women.
- ✦ India is the highest milk producer in the entire world.
- ✦ Post Liberalization, the output of Dairy Industry in India is growing at 5% per annum. Currently, we are producing more than 13% of the total milk production of the world, yet the per capita milk availability is comparatively low.
- ✦ Poultry industry, which started as a backyard activity, has now transformed into a well organized, scientifically oriented and technologically driven industry. Today, our Poultry industry is growing at around 10% per annum.

- ➡ Any stall fabrication agencies working on behalf of Exhibitor, will have to pay refundable deposit before taking stall possession as under :

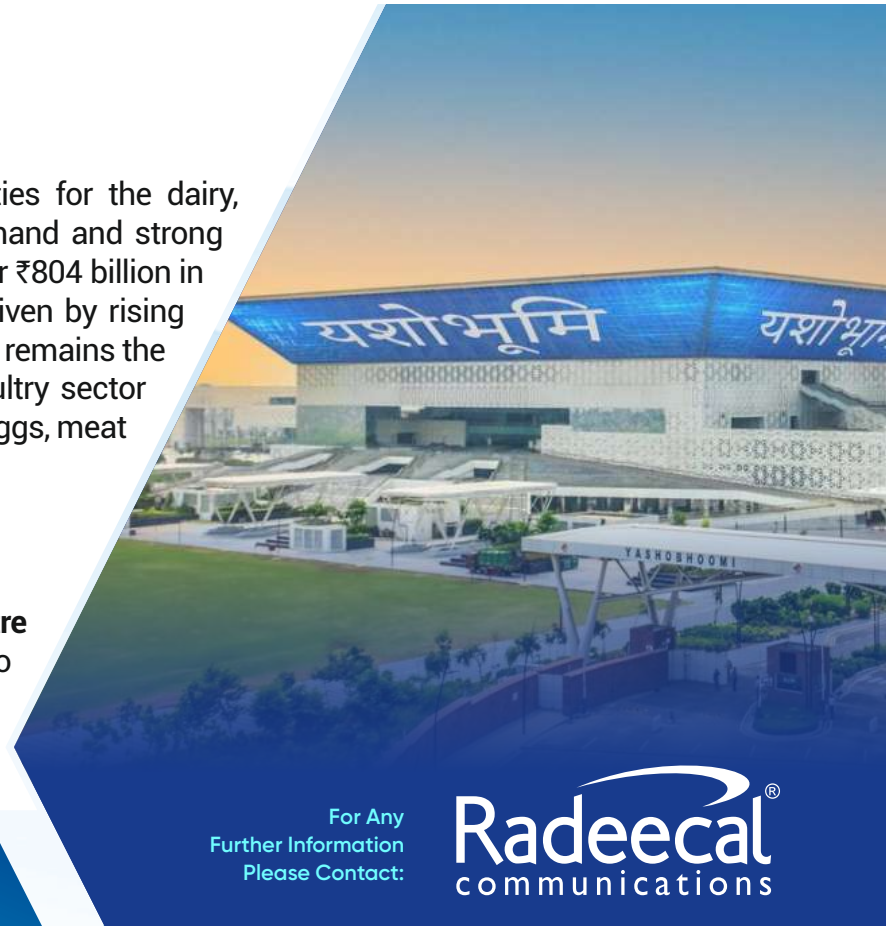

WHY NEW DELHI ?

- ✦ New Delhi, Delhi NCR and Noida present significant opportunities for the dairy, livestock and poultry sectors due to rapidly expanding local demand and strong industry growth. The dairy market in Delhi alone was valued at over ₹804 billion in 2024 and is projected to reach around ₹1,938 billion by 2033, driven by rising urban consumption and organised supply chains. Meanwhile, India remains the world's largest milk producer and has a robust livestock and poultry sector contributing strongly to nutrition, rural incomes and exports, with eggs, meat and dairy products reflecting steady growth in value and output.

ABOUT YASHOBHOOMI

- ✦ Yashobhoomi – India International Convention and Expo Centre (IICC) is South Asia's most advanced MICE destination, designed to global standards. Located in Dwarka, New Delhi, this futuristic venue offers unmatched scale and sophistication for international exhibitions and conferences.
