About Agritech Bharat

Tech-Driven Farming for Tomorrow's Bharat

Agritech Bharat 2026 is an international exhibition dedicated to advancing agricultural technology and innovation. As India's most strategic B2B platform for the agri-tech and allied industries, it brings together global stakeholders—manufacturers, suppliers, policymakers, investors, and agri-entrepreneurs—under one roof to drive the future of farming.

This 4-day event is more than just an exhibition. It's a business accelerator, a networking hub, and a launchpad for transformative solutions in agriculture. From smart machinery to sustainable agri-inputs, from precision farming to automation, Agritech Bharat is where tech meets the soil.
